Back to School Fair  
Pilot Point Intermediate School

### Back to School Fair

Local churches, businesses, organizations, individuals and Pilot Point ISD are working together to organize a Back to School Fair—August 6, 2011 at Pilot Point Intermediate School. In addition to school supplies, organizers are hoping to include free health care education and hygiene products, etc.. Their goal is to be able to offer this to all students in the Pilot Point ISD regardless of socio-economic status, family employment, or other family crises. Lets set an example of community and unity for Pilot Point's children and help our community.

You can help by making a monetary donation to your local church or PPIISD, setting up a drive at your business, volunteering your time, donating supplies to a local drive or by donating other items such as hygiene products or health care education/ information.

For more information please contact Tammy Oveross at 940-902-1137 or toveross@pilotpointisd.com. Church organizations please contact Craig Tullis at 940-293-5620.
